

# Protect your mission-critical investment with Sage Business Care

There's no better way to protect and extend your software investment than through a Sage Business Care plan. We deliver value to your organization by helping you minimize the time, resources, effort, and cost of operating your Sage solution. We'll help show you how your solution can improve business efficiency and ensure you learn from every interaction with us. And you'll benefit from user-driven product enhancements that keep you competitive.

## Flexible options to meet your business needs:

**Sage Business Care Gold:** When you count on Sage solutions for mission-critical operations, taking chances isn't an option. The Sage Business Care Gold plan provides access to the latest software versions and updates, support coverage, and training subscriptions. And you'll benefit from support features like unlimited phone support<sup>3</sup> with priority queue access, extended hours for five critical issue cases, web case support<sup>3</sup>, and 24x7 access to online self-service web support.

**Sage Business Care Silver:** The Sage Business Care Silver plan provides the most economical option for receiving personalized customer support from our award-winning call centers. Get access to our expert support team for five support cases and 24x7 access to online self-service web support.

**Sage SalesLogix Cloud Subscription Benefits:** Sage SalesLogix Cloud subscription contains many of the Sage Business Care benefits, allowing businesses to access to the latest software versions and updates, support coverage, and training subscriptions.
